MESSAGE FROM THE GOVERNOR GENERAL

AND PATRON OF THE ROYAL PHILATELIC SOCIETY OF CANADA

As patron of The Royal Philatelic Society of Canada (RPSC), I am so pleased to extend warm greetings to the participants, volunteers and all those working to ensure the success of CAPEX 22.

Some of the world's finest examples of one frame stamps are being featured during this international championship exhibition. If you look at them carefully, you will see that they tell our story. In fact, this year marks the 70th anniversary of the reign of Her Majesty Queen Elizabeth II, and I am delighted that many commemorative stamps have already been issued to mark this historic jubilee.

I would like to take this opportunity to highlight the 75th anniversary of the viceregal patronage of the RPSC, which since its creation in 1887, has contributed to the vitality of and shone a spotlight on the fascinating world of philately. Congratulations on this important milestone!

I wish you a wonderful event.

Mary Simon

MESSAGE DE LA GOUVERNEURE GÉNÉRALE

ET PRÉSIDENTE D'HONNEUR DE LA SOCIÉTÉ ROYALE DE PHILATÉLIE DU CANADA

En tant que présidente d'honneur de la Société royale de philatélie du Canada (SRPC), c'est un grand plaisir de saluer chaleureusement les participants et participantes, les bénévoles et toutes les personnes qui contribuent au succès de CAPEX 22.

Certains des plus beaux exemples de timbres à un cadre au monde sont présentés durant cette exposition de championnat international. En les examinant attentivement, vous pourrez constater qu'ils retracent notre propre histoire. D'ailleurs, nous marquons cette année le 70e anniversaire du règne de Sa Majesté la reine Elizabeth II, et je suis ravie que de nombreux timbres commémoratifs aient déjà été mis en circulation pour souligner ce jubilé historique.

Je tiens à profiter de cette occasion pour souligner le 75e anniversaire du patronage vice-royal de la SRPC, qui depuis sa création en 1887, contribue au dynamisme et au rayonnement du monde fascinant de la philatélie. Toutes mes félicitations pour ce jalon important!

Je vous souhaite un excellent événement.

There are many firms named Harmer, but there's only one Keith.

We know it's hard to keep straight all the great philatelic auction firms bearing the storied Harmer name. (Heck, we sometimes have difficulty ourselves.)

All of them descend in one way or another from the proud tradition established over a century ago in England by Keith's grandfather, the legendary Henry Revell Harmer. A tradition marked by integrity, expertise and a passion for helping build great collections that Keith, Joan and their family are justly famous for.

So why not entrust your needs to the living embodiment of that tradition? Whether you're ready to buy or sell, whether you're just re-starting your philatelic journey or have been at it for decades, Keith and Joan will be happy to assist in any way they can. You might even say it's what they were born to do.

DAVID MCLAUGHLIN | Committee Chair - Président du comité

WELCOME

On behalf of myself and the entire Organizing Committee I am pleased to welcome you to CAPEX 22, the world's first International One Frame Stamp Championship Exhibition. We are very excited to host an international philatelic exhibition once again in Canada. This is the 7th international exhibition held in Canada since the first CAPEX in 1951, including two international youth exhibitions in 1982 and 1992.

CAPEX 22 is unique among international exhibitions to date. Consisting entirely of one-frame exhibits, it celebrates the evolution of one-frame exhibiting to where it has now become a highly regarded class worldwide, and an important class within international philatelic exhibitions. This class, first pioneered in North America, has not only provided opportunities for collectors to begin exhibiting, but has also challenged even the most experienced exhibitors to develop exhibits with material that can only be shown within one frame of 16 pages.

CAPEX 22 is also hosting a philatelic literature competition, and brings together over 100 exhibits of print and electronic media literature from around the world.

Thank you for attending, participating and contributing to the enjoyment of this great hobby. I sincerely hope that your visit to CAPEX 22 and to Toronto will provide fond memories for many years to come.

BIENVENUE

En mon nom et au nom de l'ensemble du comité d'organisation, je suis heureux de vous accueillir à CAPEX 22, la première exposition philatélique internationale à cadre unique. Nous sommes très heureux d'accueillir une fois de plus une exposition philatélique internationale au Canada. Il s'agit de la 7^e exposition internationale tenue au Canada depuis le premier CAPEX en 1951, dont deux expositions internationales jeunesse en 1982 et 1992.

CAPEX 22 est à ce jour unique parmi les expositions internationales. Constituée entièrement de collections d'un seul cadre, cette compétition souligne l'évolution de l'exposition à cadre unique, une classe particulière maintenant très appréciée dans le monde entier, et une classe importante au sein des expositions philatéliques internationales. Cette classe, d'abord lancée en Amérique du Nord, a non seulement offert aux collectionneurs la possibilité de commencer à exposer, mais a également mis au défi même les exposants les plus chevronnés, de développer des collections avec du matériel qui ne peut être présenté que dans un cadre de 16 pages.

CAPEX 22 accueille également un concours de littérature philatélique qui rassemble plus de 100 inscriptions de littérature imprimée ou électronique venant du monde entier.

Merci d'assister, de participer et de contribuer au plaisir de ce grand passe-temps. J'espère sincèrement que votre visite à CAPEX 22 et à Toronto vous laissera de bons souvenirs pour de nombreuses années à venir.

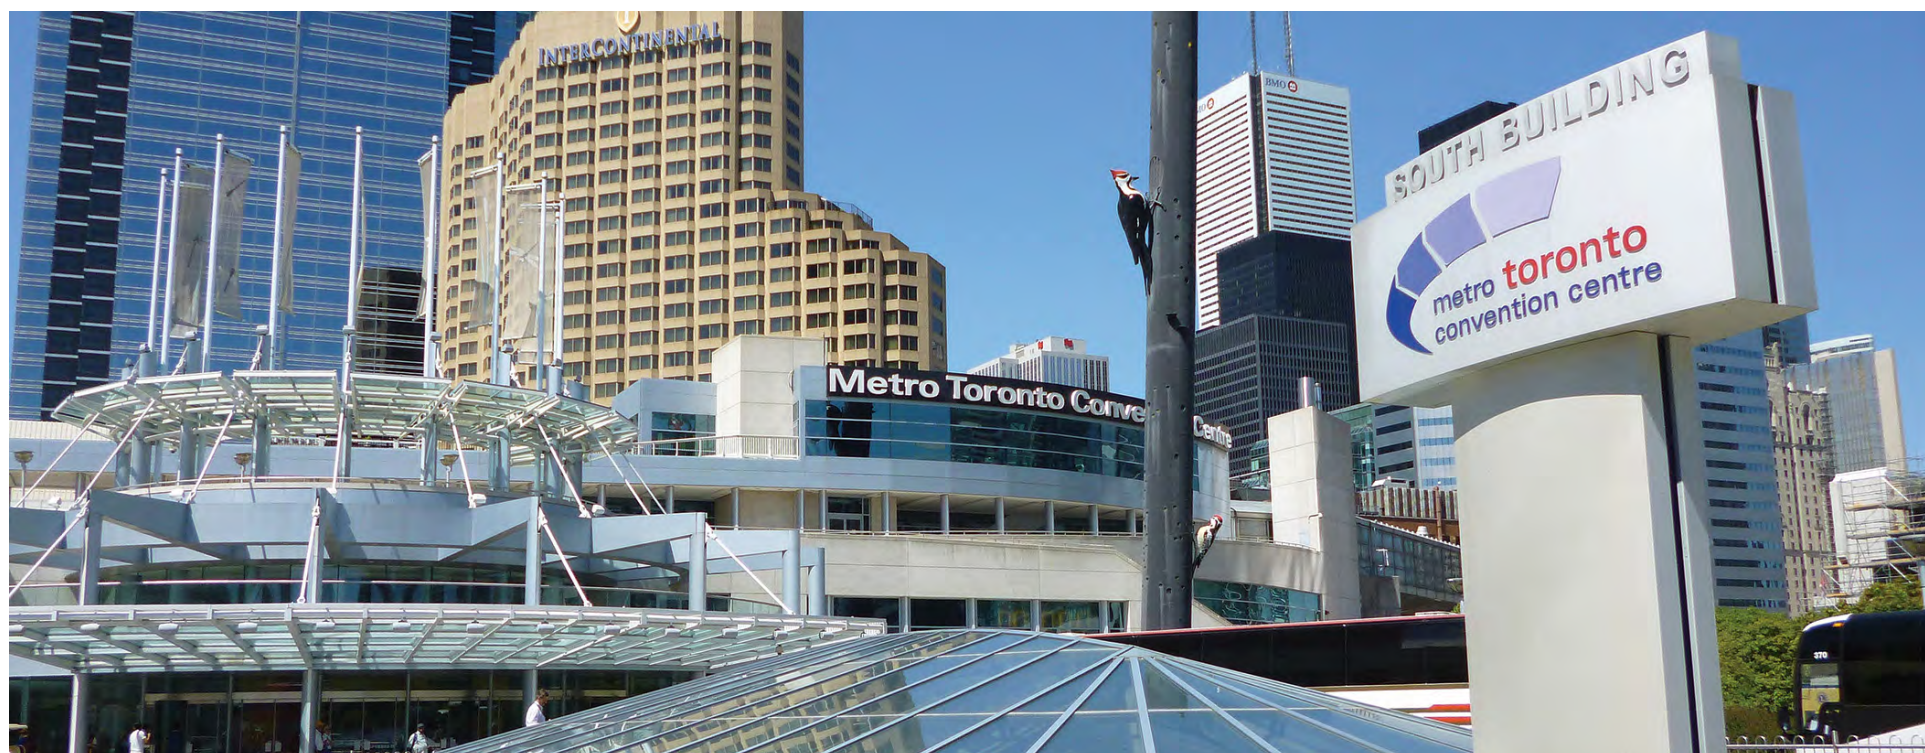

BIENVENIDO

En mi nombre y en el del Comité Organizador, me complace darles la bienvenida a CAPEX 22, la primera Exposición del Campeonato Internacional de Sellos de un Marco del mundo. Estamos muy emocionados de albergar una exposición filatélica internacional una vez más en Canadá. Esta es la séptima exposición internacional celebrada en Canadá desde el primer CAPEX en 1951, incluidas dos exposiciones internacionales para jóvenes en 1982 y 1992.

CAPEX 22 es única entre las exposiciones internacionales hasta la fecha. Consistente en su totalidad en exhibiciones de un solo marco, celebra la evolución de la exhibición de un solo marco hasta donde ahora se ha convertido en una clase muy respetada en todo el mundo y una clase importante dentro de las exposiciones filatélicas internacionales. Esta clase, pionera en América del Norte, no solo ha brindado oportunidades para que los coleccionistas comiencen a exhibir, sino que también ha desafiado incluso a los expositores más experimentados a desarrollar exhibiciones con material que solo se puede mostrar en un marco de 16 páginas.

CAPEX 22 también organiza un concurso de literatura filatélica y reúne más de 100 exhibiciones de literatura impresa y electrónica de todo el mundo.

Gracias por asistir, participar y contribuir al disfrute de esta gran afición. Espero sinceramente que su visita a CAPEX 22 y a Toronto le proporcione buenos recuerdos durante muchos años.

CAPEX 22 SOUVENIRS

The CAPEX 22 committee has created a collection of collectable items for your collections to mark the first International exhibition in Canada in over 25 years. There will be 4 souvenir commemorative covers with the following themes some of which are illustrated in this article and are limited in quantity. Each cover is franked with a Picture Postage stamp. The first cover is a CAPEX cover which features the CAPEX 22 logo and has images of 4 stamps from previous CAPEX events. The franking stamp shows the CAPEX logo using the P postage rate. The second cover relates to the Victorian era and has a cachet showing the 1987 CAPEX Toronto First Post Office stamp and franked with a stamp featuring a cancellation used in the Victorian era. The third cover represents the second World War with a cover cachet showing an Enlistment centre and a stamp showing the photo of the enlistment centre. The fourth cover represents the modern era and illustrates a painting by Jean Paul Riopelle which had been featured on the 1996 artist series of stamps with a stamp of the modern Toronto skyline.

For cancellations there are cancels for each day of the show which features the CAPEX logo. There are three other special cancels. The first is for use with the Victorian Toronto First Post Office cover and features a circular cancel similar to cancels that were used in the 1890's with a June 10 date. The second cancel is a slogan cancel ENLIST NOW in use during the war with a June 11 date. The modern era cancel features a Toronto skyline also dated 10 June. These cancellations will be available for collector use on the appropriate show date.

A Cinderella sheetlet is also proposed which features an essay for the CAPEX 1951 show stamp.

The show covers will be available for \$7 each or a set of 4 for \$25. Covers with just the cachet are \$4 for a single cover and a set for \$15. The picture postage stamps are available in booklets of 12 stamps for \$25 with single stamps for \$3.

Limited quantities of all items are available. For further information contact CAPEXSouvenirs@shaw.ca.

Le comité de CAPEX 22 a créé une série d'objets de collection pour vos collections afin de marquer la première exposition internationale au Canada depuis plus de 25 ans. Il y aura 4 enveloppes commémoratives souvenirs à tirages limités avec les thèmes suivants dont certains sont illustrés dans cet article. Chacune des lettres est affranchie d'un timbre-photo.

La première lettre comporte le logo de CAPEX 22 et des représentations des 4 timbres des événements CAPEX précédents. Le timbre d'affranchissement reprend le logo CAPEX en utilisant le tarif postal « P ». La deuxième lettre se rapporte à l'époque victorienne et a un cachet montrant illustrant le timbre CAPEX Toronto First Post Office / premier bureau de poste de 1987 et affranchi d'un timbre comportant un cachet postal utilisé à l'époque victorienne. La troisième lettre souligne la Deuxième Guerre mondiale avec une illustration d'un centre d'enrôlement et un cachet montrant la photo du centre d'enrôlement. La quatrième lettre souligne l'époque moderne et illustre un tableau de Jean Paul Riopelle qui figurait sur la série de timbres d'artiste de 1996 avec un timbre d'une vue moderne de Toronto.

Une oblitération spéciale pour chaque jour du salon avec le logo de CAPEX22. Trois autres cachets spéciaux ont aussi été créés : Le premier est à utiliser avec l'ère victorienne de Toronto - Lettre du bureau de poste et comporte une oblitération circulaire similaire à celles utilisées dans les années 1890 avec une date du 10 juin. La deuxième oblitération est une flamme : ENRÔLEZ-VOUS MAINTENANT utilisée pendant la guerre, avec une date du 11 juin. L'oblitération de l'ère moderne présente une vue d'ensemble de Toronto, également datée du 10 Juin. Ces cachets seront disponibles pour une utilisation par les collectionneurs à la date appropriée du salon.

Un feuillet Cendrillon est également proposé avec un essai de timbre fait pour le salon de CAPEX 1951.

Ces enveloppes commémoratives seront disponibles au prix de 7 \$ chacune ou \$25 pour un ensemble de 4. Les lettres avec un cachet seul seront vendues 4 \$ chacune ou 15 \$ pour l'ensemble. Les timbres-poste illustrés sont disponibles en carnets de 12 pour 25 \$, et les timbres à l'unité au coût de 3 \$.

Tous ces articles sont disponibles en quantités limitées. Pour plus d'informations contactez : CAPEXSouvenirs@shaw.ca

'Hotly contested' bidding on AFAB, Auchenbraith lots

Realizations do not include buyer's premium.
A pair of single-owner catalogues offered in New Brunswick this March largely met and occasionally exceeded auctioneers' expectations thanks to their consignors' decades-long focus on rarity and quality.
Eastern Auctions offered the AFAB Collection of Newfoundland classics and the Auchenbraith Collection of Canadian federal and provincial revenues across three online sessions on March 24-25 and March 26, respectively. More than 825 lots crossed the block via Eastern's headquarters in Bathurst, N.B., but bids were only accepted through the firm's online bidding platform, "eastern@home," plus the phone, fax, email and mail.
Yohann Tanguay, a stamp specialist and the chief describer with Eastern Auctions, told CSN the firm was "very pleased with the results" of the first AFAB sale.
"The rare and valuable exceeded our expectations which carried through well into the post-1900 material."
As auctioneers expected, this collection's top highlights centered on Newfoundland and Canadian classics, which were "hotly contested" while "many, we are confident to say, fetched record prices," Tanguay said.
"The Auchenbraith was a mystery to us, but judging from the bidding prior to and during

'It was great': National Show returns

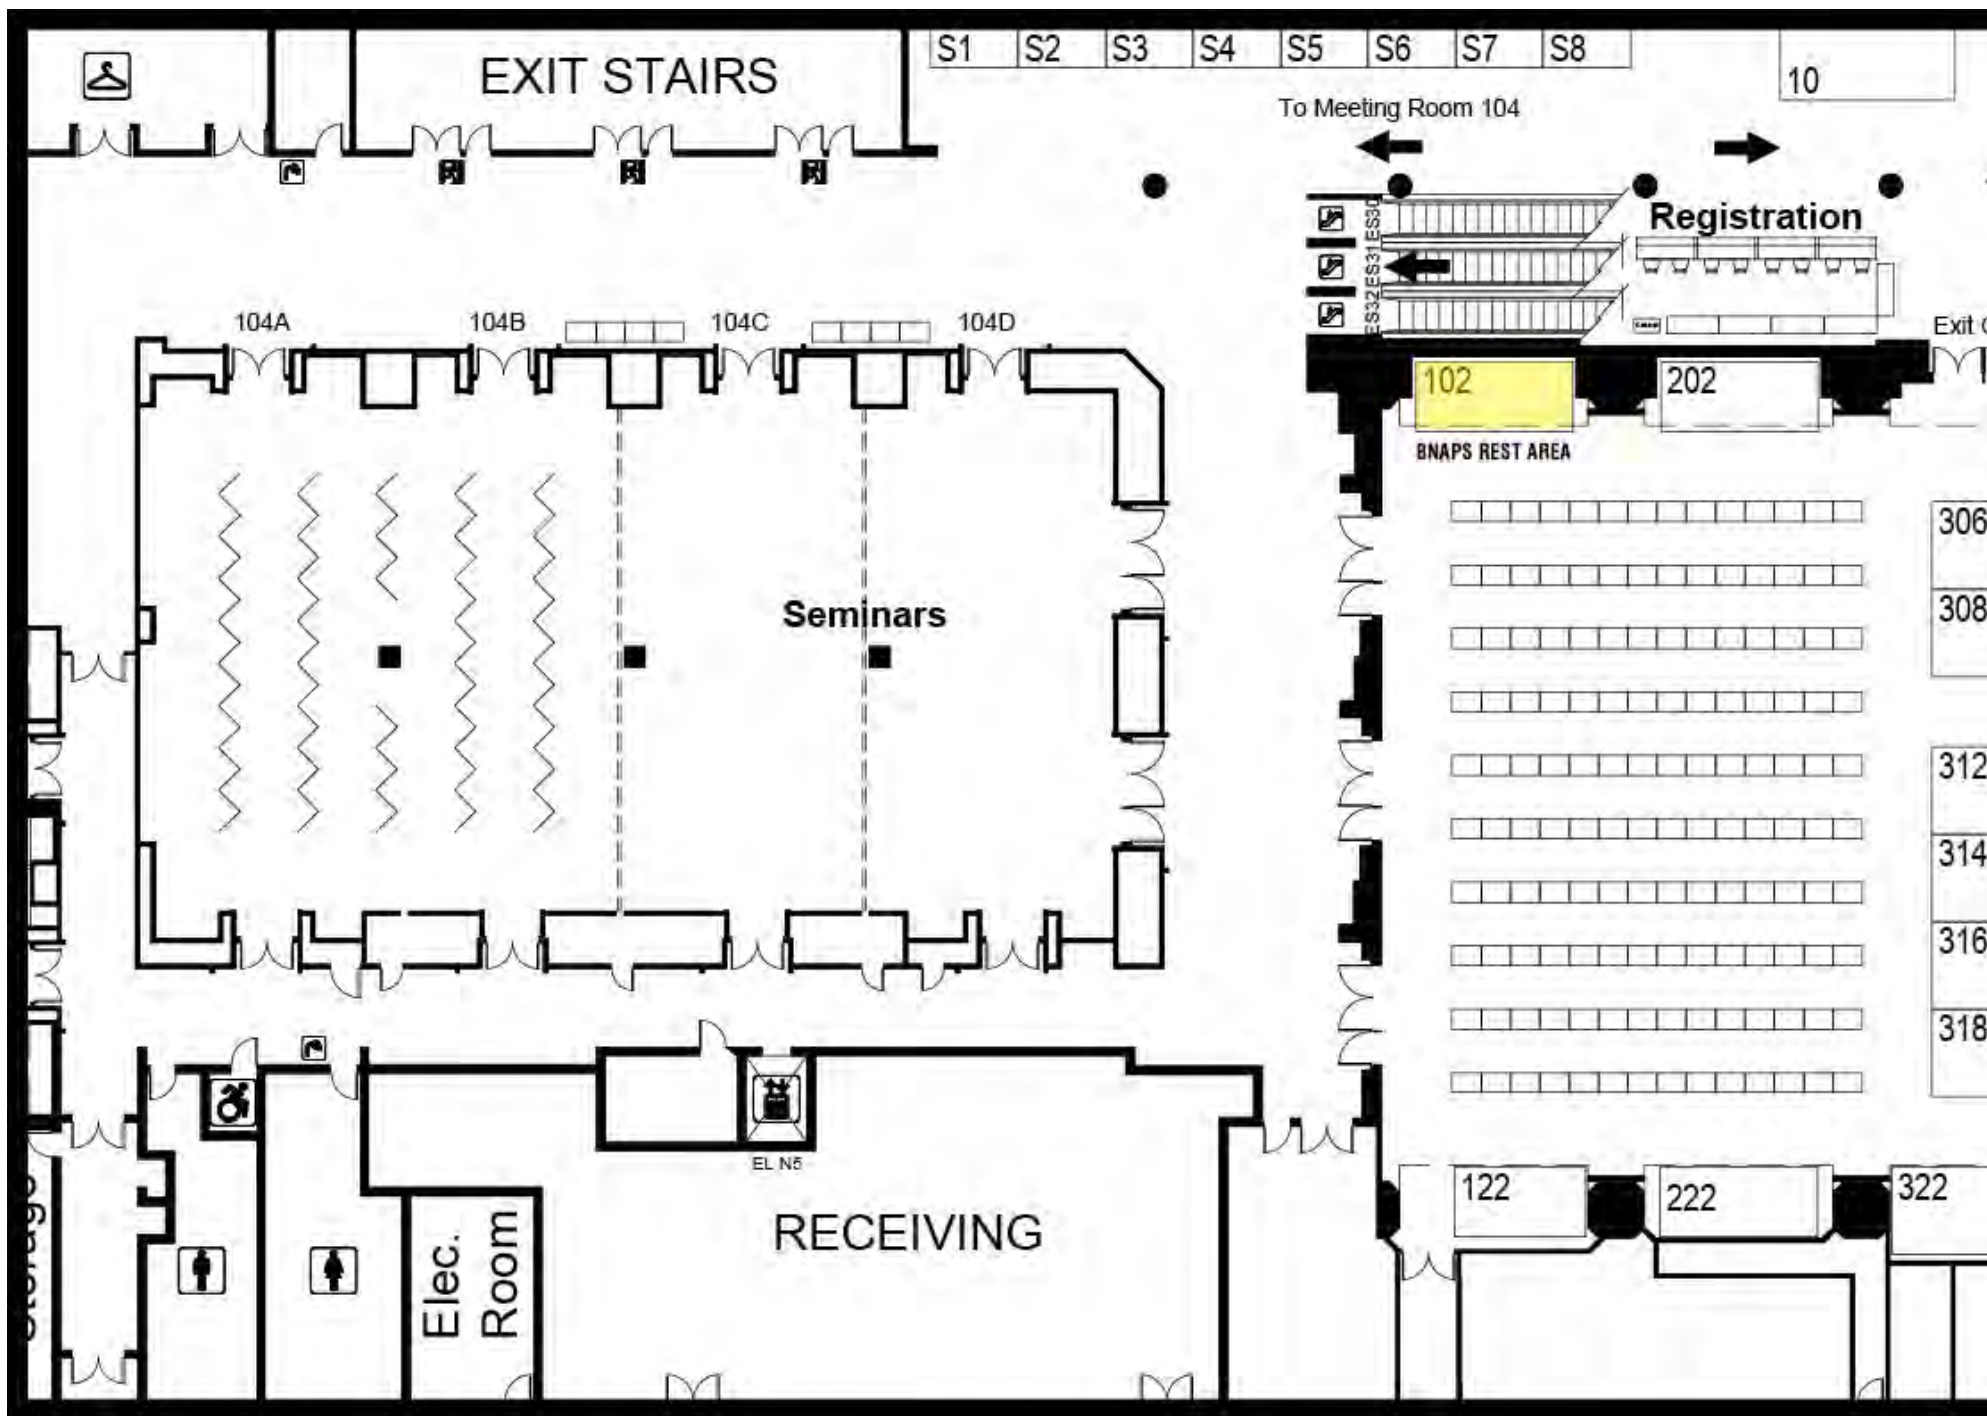

Following a 31-month pandemic hiatus, collectors, dealers and exhibitors returned to the Greater Toronto Area this April for the first National Postage Stamp & Coin Show since 2019.
With most of Ontario's pandemic restrictions lifted three weeks earlier, the two-day show kicked off on April 9 at the Hilton Mississauga/Meadowdale hotel in northwestern Mississauga, Ont. An unexpectedly strong turnout saw hundreds of collectors come through the doors, where they were met by a 50 dealer bourse of philatelic and numismatic dealers from across the country, including as far as Vancouver and Halifax.
"It was great," said dealer Roy Houtby, the owner of Roy's Stamps in St. Catharines, Ont., who attends about 25 major shows across North America, including at least 10 national level shows in the United States, each year. "Everybody we spoke to in Mississauga was quite pleased to be able to sit down and actually look at some stamps or look at some covers in person as opposed to doing it online. The vibe and the feedback we got from the collectors were very positive."
While he has had booths at several major U.S. shows

New stamps celebrate Eid, 'blues legend'

Canada Post issued two new stamps marking Islam's Eid festivals plus late singer-songwriter Salome Bey in mid-April.
An Eid lantern casts colourful patterns of dappled light on the stamp celebrating two of Islam's most important festivals. Issued on April 12, the stamp and its accompanying official first-day cover (OFDC) mark the coming of Eid al-Fitr and Eid al-Adha, which this year begin in early May and July, respectively. Available in booklets of six Permanent domestic-rate stamps, it's Canada Post's fourth Eid issue since 2017.
"The custom of lighting decorated lanterns during Ramadan is believed to have originated in Islamic Egypt more than a thousand years ago," reads the back of the booklet cover. "Traditionally made from copper or tin and coloured glass, and embellished with pierced designs and inscriptions, lanterns cast intricate patterns of light as they burn in homes, mosques and businesses during Eid celebrations."
Both festivals are celebrated by more than one million Muslims in Canada - about three per cent of the country's population - plus millions more around the world.
Eid al-Fitr (also known as the Festival of Breaking the Fast) marks the end of Ramadan, the holy month in which Muslims fast from dusk until dawn. Typically, mosques host thousands of people for a celebration; however, many of the past two years' in-person events were moved to a virtual format due to the pandemic.
Eid al-Adha, the Festival of Sacrifice, begins with a prayer followed by a four-day festival commemorating Abraham's willingness to sacrifice his son

Join the Preeminent Global Philatelic Auction Marketplace "Equipping the collector to make informed decisions"

In 1994, StampAuctionNetwork created the first marketplace for stamp auctions, and it has grown to be more than anyone might have imagined. Together with our philatelic community, we have changed the face of stamp auctions with online catalogs, online bidding, live bidding during auctions, and now access to the largest database for stamps providing resources to the collector not available anywhere else.

Why StampAuctionNetwork?

- **Over \$350 Million** of philatelic material offered annually.
- Offering rare and common **Canadian & Worldwide** material from local and global sources.
- **Want lists & want list notifications:** Saved searches scan all sales and email matches directly to you.
- **Unattended Live Bidding:** Prepare bids that are executed by us during live bidding auctions at the opening of the lot without revealing your maximum bid.
- **"WantList Marketplace"** peer to peer private treaty sales.
- **"My Collection"**... Add items to your on-line collection and match them up against our database and find matches.
- **Selling your Collection,** We can help you find the best auction company, based on your collection, to consign to for sale.
- **Connections** Connect with other collectors to share your expertise, jump start a new collecting interest, or mentor a new collector.
- **Community Zoom Meetings,** Join the StampAuctionNetwork community for regular Zoom meetings on a number of helpful topics.
- **FREE Memberships** with full access to search and Bid.

How we Empower Collectors to make Informed Purchases

With \$2.4 Billion of historical prices realized in 3 million lots we provide access to information others do not even have and would take you years to research. With Extended Features you get:

- **Extended Search Capabilities:** Charting, Topical Search, Worldwide Search, and more...
- **Get Market Data.** We add one-click access to relevant historical market data on each item in every catalog where available.
- **Census & Provenance:** Access to on-line Research, Census data, Provenance records, including our provenance screening tool.
- **Provenance Matches in MyPurchases and MyCollection.** Instant access to Census data from your purchases and collection.
- **Integration with 4 Powerful Search Tools,** Philatelic Foundation's PF Search (Census/Population), and Professional Stamp Experts ("PSE") Population report.
- **The StampAuctionNetwork 1000.** These metrics are a measure of the stamps that are most likely to be offered as a single stamp or cover, and more...

Participate in the Free StampAuctionNetwork Marketplace at CAPEX 22!

Search through 100's of featured Stamps and Postal History posted by CAPEX 22 Dealers & Auction Houses.

View and purchase them on on-line or identify what Dealer is offering them at their booth and go see it.

As a Partner Level Sponsor of CAPEX22, StampAuctionNetwork has created a unique and exciting way for interaction between Dealers at CAPEX, CAPEX attendees and with the entire StampAuctionNetwork philatelic community. In this Marketplace, collectors at CAPEX or anywhere in the world will be able to search and find featured lots from participating Booth-holders, buy them on the spot or find out in which booth they are located to physically inspect the item. Visit all booths at once in one place on your laptop or mobile device from anywhere in the world.

BRITISH NORTH AMERICAN PHILATELIC SOCIETY

The British North America Philatelic Society Ltd. – BNAPS – is an international organization (founded 1943) devoted to the collecting and study of the stamps, markings, and postal history of Canada and the pre-confederation colonies of British North America (British Columbia, Canada, New Brunswick, Newfoundland, Nova Scotia and Prince Edward Island). Its quarterly journal, BNA Topics, publishes scholarly articles in these areas. Further information is available at <https://bnaps.org/>.

CANADIAN STAMP NEWS | coinstampsupplies.com and collectorssupplyhouse.com

Founded 45 years ago, CSN is Canada's leading source of information about stamp collecting, postal history, deltiology and related fields. The majority of our readers are Canadian, so we focus on the distinct state of philatelic affairs in "our home and native land." Our editorial pages feature breaking news, commentary and advice as Canada's philatelic paper of record.

COIN STAMP
SUPPLIES
coinstampsupplies.com

The magazine traces its roots back to June 1963 in Iola, Wisc., where U.S. numismatic icon Chet Krause launched what was then known as *Canada Coin News*. By August of that year, the publication's operations moved north to Canada, and within a few years – with Canadian numismatics in a slowdown – the publisher added stamps and antiques to the mix. In August 1966, *Canada Coin News* became *Coin, Stamp & Antique News*, and a decade later, in June 1976, that publication was split in two, with CSN covering philately and *Canadian Coin News* covering numismatics.

Since 1989, both CSN and CCN have been owned by Trajan Publishing, which has since expanded into publishing and circulation services, website creation and management, shows, and hobby supplies under the banners: coinstampsupplies.com and collectorssupplyhouse.com. The company's combination of special-interest content created and creative advertising solutions for the hobby's various stakeholders remains its cornerstone today.

LET'S TALK EXHIBITING

David Piercey, FRPSC

A Publication of The Royal Philatelic Society of Canada

RPSC BOOK ON EXHIBITING LAUNCHES AT CAPEX 22

The RPSC is pleased to announce the publication of its new book *Let's Talk Exhibiting* by renowned author, exhibitor and judge David Piercey. The book, based on his columns of the same name in *The Canadian Philatelist*, will be beneficial for exhibitors, and potential exhibitors, whether beginning, intermediate, or more advanced.

Profusely illustrated with exhibit pages from many different award-winning exhibits by Canadian exhibitors, the author discusses getting started in exhibiting, exhibit types, exhibit evaluation criteria, and the intricacies of creating effective exhibits and exhibit pages.

"The RPSC has wanted to publish a Canadian book about exhibiting to encourage more collectors to begin exhibiting. As an incentive, we are offering RPSC members a reduced price of \$45 (regular retail \$60) at the show and subsequently. If you are not currently an RPSC member, please consider the purchase of a digital membership at the special CAPEX price of only \$17.50 CAD for the full year. The 15 dollar RPSC discount off the book will almost entirely offset the cost of your year's digital membership!" - Ed Kroft, President RPSC
